Luke Molitor, Happo Biken Menkyo Shihan
Togakure Ryu Theme this year..

Ryu Dojo of Marine Illinois will be hosting a two day seminar on Togakure Ryu focusing on small weapons and Ninja-to taught by Dr. Luke Molitor of the Jigoku Dojo. Dr. Molitor has a vast amount of knowledge and experience in the Japanese warrior arts and ways, and splits his time between Japan and Texas furthering his training under Soke Hatsumi Masaaki. He is also a trusted, personal student of Someya Kenichi, Nagase Hiroshi, and Nagato Toshiro.

We will have a short lunch break on Sat and Sun but please bring your lunch. We are doing this so we don't overeat and get tired ½ day. There is a refrigerator, stove, microwave on the premises. I will have water and tea available free to all who are teaching or training. We will go out to eat after the seminar and you can visit with Luke if you like on Sat and Sun.

There is a Holiday Inn Express in Highland Illinois if you need to stay in town. If this is too expensive or has no vacancies, Troy Illinois is the next closest town.

For More information on Dr. Luke Molitor and the Jigoku Dojo please go to:

Be prepared to sign the folloing waiver when you are at the seminar. Be sure to sign up for a CD Rom of the training for \$20 paid to Angie. Usually \$10 but this is a long seminar, it will be \$20 if more than 2 CD's are needed)

I understand that there is risk of injury during the Martial Arts and survival training at, Luke Molitor seminar. I hold harmless any instructors, volunteers, employees and participants of this event and the Pre-Tend Child Care, Smith family, Molitor family and any other personnel associated with these events.
